

Impact Teaching

January 22, 2010

Michelle Cummings is the Big Wheel and founder of Training Wheels. Training Wheels is a known leader in the teambuilding industry and prides itself in creating quality, affordable activities, books, and trainings for those seeking experiential resources. Michelle has created a wide variety of facilitation, debriefing and teambuilding activities that have collectively changed the way experiential educators and trainers work. She actively seeks and/or creates new activities to enhance her workshops and to provide new resources for facilitators. Michelle has facilitated a wide variety of programs from therapeutic populations, corporate and school groups, to train the trainer programs for professionals.

This workshop challenges teachers and facilitators to think outside their traditional teaching methods and begin teaching with more experiential methods in their classroom. *Impact Teaching* has become one our most popular and requested workshops.

This course is perfect for any level of educator! Here are some of the workshop components:

- ⦿ Creating active, learning methods
- ⦿ Designing a powerful learning environment
- ⦿ The art of effective directions
- ⦿ Making learning memorable
